## MISSION

Judson is an evangelical Christian University which represents the Church at work in higher education, equipping students to be fully developed, responsible persons who glorify God by the quality of their personal relationships, their work, and their citizenship within the community, the nation and the world. Through a broadly based education in the liberal arts, sciences and professions, the University enables its students to acquire ideas and concepts which sharpen their insights, develop skills appropriate to their career goals, and develop the skills and commitment for lifelong learning. The Judson community experience challenges graduates to be decisive leaders and active participants in church and society, articulate proponents of Biblical Christianity, persuasive advocates for the sovereignty of God over all life, and effective ambassadors for Christ.

## COMMUNITY STANDARDS

We, at Judson University, do not wish to be conformed to the standards of this world, but pray to be transformed by the renewing of our minds. Therefore, for the advancement of the Kingdom of God and well-being of the Judson University community, we pledge ourselves to strive to embody the fruit of the Spirit as listed in Galatians 5:22-23.

- ◆ Love. We will seek for others what we desire for ourselves.
- ◆ Joy. We will cultivate a deep sense of contentment in every situation.
- ◆ Peace. We will exhibit the serenity that comes from our awareness of God's presence.
- ◆ Patience. We will show tolerance when events or individuals behave contrary to our expectations.
- ◆ Kindness. We will balance clear standards with a generosity of spirit.
- ◆ Goodness. We will strive to live morally upright lives in relation to God and others.
- ◆ Faithfulness. We will be trustworthy in our relationship to God and others.
- ◆ Gentleness. We will be submissive, teachable and warm in spirit.
- ◆ Self-control. We will channel our desires and energies into biblically acceptable expressions.

We humbly ask God to supply through His Holy Spirit, the power and the will to attain these goals.
