The JU Children’s Choir is open to students going into 1st - 5th grades and is directed by Judson Music Education alum, Rebeca Malmgren. The choir will meet weekly on Thursday afternoons from 4-5 pm following the Judson Community Music School Calendar (12 rehearsals per semester), with one performance at the end of each semester.

Singers will...

- Work together in creating beautiful music!
- Grow vocally by singing in unison and two-part harmony;
- Sing a variety of fun, age-appropriate music;
- Learn fundamentals of music;
- Grow in character by working in a group towards a common goal, and in confidence by performing in front of an audience;
- Have fun together in a safe, caring and tolerant Christian community.
