Instructions and additional information:

- Submission of the application does not guarantee SA through Judson University. A limited number of SA opportunities are available each semester. Students will be contacted by March 20 if they are approved for SA the following academic year.
- Please submit all application materials to the International Programs Coordinator.
- A few documents listed above may be submitted after March 1 if the student is SA in spring (e.g., external acceptance letter). The International Programs Coordinator will determine with the student the documents that may be submitted after March 1.
- The date of completion, and initial from the appropriate faculty or staff, is required for each category above.
