We’re glad you’ve decided to read Judson University’s 2008 Annual Security Report. It contains information regarding crime prevention programs offered at the University, tips on crime prevention and personal safety, instruction on reporting crimes and emergencies, Judson University crime statistics and security-related policies and statements.

As you will see when you review the crime statistics section of this report, Judson University is an extremely safe campus. This is not by accident. We depend on every member of our community to report suspicious situations immediately to the Department of Campus Safety and make good decisions that keep both themselves and others safe.

The Department of Campus Safety employs numerous strategies in its mission of maintaining a safe and orderly environment for students, employees and visitors. In addition to patrolling the campus by foot, bicycle and vehicle and conducting safety and lighting surveys, JUCS provides escorts and motorist assistance, manages bicycle registration, controls building access using state-of-the-art technology, monitors campus traffic and parking, and responds to all emergencies and suspicious or unsafe situations.

Campus Safety Officers are trained in control and restraint, handcuffing, pepper spray, expandable batons, the Use of Force Continuum, First Aid and CPR. Campus Safety Officers enforce campus rules and mandates, and intervene and report any violation of them. Campus Safety Officers do not have arrest powers but may detain individuals for further questioning by police. Students, faculty, staff, and visitors are expected to cooperate with Campus Safety when providing identification and reporting incidents which might result in a breach of campus-wide security.

The Department of Campus Safety also partners with the campus community in the creation and implementation of campus-wide strategies and programs to prevent and respond to criminal activity and other hazards. The 2007-2008 year saw the creation of the Campus Emergency Response Team and the publication of the Emergency Procedures Guide and Bomb Threat Checklist, copies of which were distributed to every workstation and telephone on campus. Judson University also instituted the CodeRED® Emergency Telephone Notification System, which in times of emergency is capable of dialing up to 50,000 phone numbers per hour and delivering a pre-recorded message. JUCS is now offering Women’s Self-Defense, and has plans to offer a self-defense program geared towards men. Check the Campus Safety website for details regarding those programs as well as the upcoming New Employee Orientation Program and Bicycle Safety Class.

The Clery Act

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is the landmark federal law, originally known as the Campus Security Act, which requires colleges and universities across the United States to disclose information about crime on and around their campuses. The law was most recently amended in 2000 to require schools beginning in 2003 to notify the campus community about where public “Megan’s Law” information concerning registered sex offenders on campus could be obtained.

The Campus Security Act requires colleges and universities to:

• Publish an annual report every year by October 1 that contains three years of campus crime statistics and certain campus security policy statements;
• Disclose crime statistics for the campus, public areas immediately adjacent to or running through the campus, and certain non-campus facilities and remote classrooms. The statistics must be gathered from campus police or security, local law-enforcement, and other University officials who have “significant responsibility for student and campus activities”;
• Provide “timely warning” notices of those crimes that have occurred and pose an ongoing “threat to students and employees;” and
• Disclose in a public crime log “any crime that occurred on campus. . . or within the patrol jurisdiction of the campus police or the campus security department and is reported to the campus police or security department.”

The Judson University Department of Campus Safety is responsible for preparing and distributing this report as well as crime statistics for the Elgin and Rockford campuses. Crime statistics are compiled based on incidents reported to the Department of Campus Safety as well as other campus security authorities—those with “significant responsibility for student and campus activities”. Records of all Incident Reports for the past seven years are stored in a secure location and maintained by the Department of Campus Safety.

Campus crime statistics are also collected from external agencies such as the Elgin and Rockford Police Departments, respectively. To learn more about the Clery Act, visit securityoncampus.org/schools/cleryact

To search the Illinois’ sex offender website, visit http://www.isp.state.il.us/sor/sor.cfm

Additionally, a link to the Illinois sex offender website is available on the Campus Safety website in the section “Campus Crime Stats”.
Reporting Criminal Actions and Emergencies

All criminal activity, suspicious activity, and other emergencies on campus should be reported directly to the Department of Campus Safety by any student, staff or guest of the Judson University community. Please dial extension 9999 for all emergency or service calls on campus, 24 hours a day. You can also call 847-622-9999 from an outside line. Campus Safety Officers will meet you anywhere on campus to investigate and inquire about any of these events. Please call extension 2499 for all non-emergency business calls or 847-628-2499 from an outside line.

If reporting a suspicious vehicle or person, be prepared to provide the following information when you call:
• Description of suspicious vehicle (make, model, color, license plate, damage or unique features and a description of the driver).
• Description of suspicious person (gender, physical features, clothing and accessories)

If you observe a crime in progress or a behavior that you suspect is criminal, immediately notify the Elgin Police Department (911) and Campus Safety (extension 9999). DO NOT APPROACH OR ATTEMPT TO APPREHEND THE PERSON(S) INVOLVED. Stay on the phone until help arrives.

For general information please call extension 2499 or send an email to Campus Safety. Judson University extensions can be reached via an outside line by dialing 847-628 and then the extension.

Sometimes victims and witnesses of crimes and suspicious situations want to tell someone about what they have experienced while also remaining anonymous.

The Department of Campus Safety offers several ways of anonymously reporting criminal activity and suspicious persons, situations or activities.

Victims and witnesses of criminal activity may contact a Campus Security Authority – a coach or resident director or member of Student Development - to report the crime. Victims and witnesses of crimes or suspicious activities may remain anonymous if they so choose. The Campus Security Authority will then complete a short Campus Crime Statistic Report Form designed to record the crime without revealing the identity of the victim unless the victim wishes to be identified. The Campus Security Authority will not make personal judgments or attempt to investigate the crime themself. They will simply complete the report. The Campus Crime Statistics Report Form shall then be submitted to the Department of Safety, which shall use the report for the purpose of providing accurate crime statistics. The victim reporting the crime is under no obligation to disclose his or her personal identity, as the form is used to help provide an accurate picture of campus crime.

If the victim does wish to be identified, the Campus Security Authority will complete a Campus Crime Report Form, which shall be submitted to the Department of Campus Safety for further investigation.

Victims and witnesses of criminal activity or suspicious circumstances may complete a Silent Witness Report, which is available on the Campus Safety section of the website under the “Silent Witness” section at judsonu.edu/campuslife/campus-services/jucs.aspx?id=6880

The Silent Witness form is NOT to be used to report an emergency situation.

The Silent Witness report is made available to the Judson University community to make it possible for you to report illegal, suspicious or threatening situations and remain anonymous.

The technology used by the form on our Silent Witness page ensures your anonymity. After filling out the form your comments are sent via the server to our Campus Safety offices.

No information regarding the campus workstation, your logon ID or email address is included in the email. In filling out this form, you are guaranteed to remain completely anonymous. If you have any information which could assist the Department of Campus Safety, please consider becoming a Silent Witness.
As a result of the negotiated rulemaking process which followed the signing into law of the 1998 amendments to 20 U.S.C. Section 1092 (f), clarification was given to those considered to be campus security authorities. Campus “Pastoral Counselors” and Campus “Professional Counselors”, when acting as such, are not considered to be campus security authorities and are not required to report crimes for inclusion into JudsonUniversity’s annual disclosure of crime statistics. As a matter of policy, they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

Counselors are defined as:

*Pastoral Counselor*
An employee of an institution who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor.

*Professional Counselor*
An employee of an institution whose official responsibilities include providing psychological counseling to members of the institution’s community and who is functioning within the scope of his or her license or certification. This definition applies even to professional counselors who are not employees of the institution, but are under contract to provide counseling at the institution.
Judson University recognizes the need for a proactive approach when dealing with criminal activity, and the Department of Campus Safety is committed to providing crime prevention and awareness programs throughout the year. These programs include the year-round Gotcha! bike registration program, periodic new employee orientations, evening escort services, year-round distribution of the *Emergency Procedures Guide* and *Bomb Threat Checklist* to all workstations on campus, the Women's Self-Defense Course which is offered at least twice a year, the regular posting and distribution of various crime-awareness flyers and alerts, the maintenance of an online Daily Campus Crime Log, the Silent Witness report system and the implementation of the CodeRED alert system. To learn more and check out additional crime prevention and safety tips, visit the JUCS website at [judsonu.edu/campussafety.aspx](http://judsonu.edu/campussafety.aspx)

**GENERAL TIPS**

- Stay alert. Keep your mind on your surroundings, who’s in front of you and who’s behind you. Don’t get distracted. If you’re worried about crime, ask a friend to accompany you when you go out.
- Communicate the message that you’re calm, confident and know where you’re going. Stand tall, walk purposefully, and make eye contact with people around you.
- Trust your instincts! If you feel uncomfortable in a place or situation, leave.
- There’s safety in numbers. Stay away from isolated areas.
- Walk in well-lit areas. Be prepared for the unexpected.
- Have your car or house key in hand and ready as you approach either of them.
- Carry a whistle or noisemaker to bring attention to a bad situation.
- Go to another ATM machine if someone suspicious is outside of one.
- Don’t carry large amounts of cash. A front pocket is safer for a wallet than a back one.
- Don’t flaunt expensive jewelry or clothing, or “flash” cash.
- Don’t jog or bike at night.
- Add the JUCS emergency number, 847-622-9999, to your cell phone.

**Emergency “Blue Light” Towers**

There are three Emergency Towers on campus like the one pictured at right.

- Next to the sidewalk across the street from the HAWAC building.
- Between the Barton House and Browne Hall.
- Along the walk between Tyler Creek and the Thompson Center.

If you feel threatened, witness a hazardous or criminal situation, or otherwise need to immediately contact the Department of Campus Safety regarding an emergency, press the red button on the Emergency Tower. Campus Safety will immediately receive an alert stating your location and you will be able to directly communicate with officers.

The Department of Campus Safety is pleased to be able to offer Women’s Self-Defense to interested student and staff members at a cost of eight dollars, which covers the cost of pepper spray and other materials that participants will be issued. The course is taught by trained instructors from the Department of Campus Safety and will be hosted in the Fitness Center. Currently, Women’s Self-Defense is offered to any female Judson University students or staff members who wish to take them, though class space is limited to thirty participants per class on a first-come basis. JUCS plans to offer a self-defense course for men in the future.

All female students and staff members are encouraged to take advantage of this opportunity and learn various methods of self-defense. Along with learning basic self-defense techniques and strategies, participants will have the opportunity to discuss safety strategies and may purchase pepper spray if they so choose. This program is a great way to build confidence and gain the upper hand in the event of a confrontation.

For the fall semester, dates and times of the course are as follows:

- October 15, 2008 – Orientation at 7pm
- October 22, 2008 - 7pm to 9pm
- October 29, 2008 – 7pm to 9pm

Policy on Timely Warnings

In the event that a situation arises, either on or off campus, that, in the judgment of the Campus Safety Manager or one of the members of the Campus Crisis Team, constitutes an ongoing or continuing threat, a campus-wide “timely warning” will be issued. The warning may be issued to students, faculty and staff through the University email system as well as through the posting of printed bulletins in high-traffic areas. Information may also be posted on the “Campus Safety Alerts” section of the website. Depending on the particular circumstances of the crime, especially in situations that could pose an immediate threat to the community and individuals, the Department of Campus Safety or one of the other authorized individuals may activate the CodeRED system, a high-speed automated telephone notification system. In the event of an emergency and the activation of the CodeRED system, Judson will post on its website contact numbers that parents and others off-campus can call to access accurate information about the situation on campus or the surrounding area.

Anyone with information warranting a timely warning or CodeRED alert should report the circumstances to the Department of Campus Safety, by phone (extension 9999) or in person at the Campus Safety office, located in the Plant Operations building.

NOTE: All members of the Judson community are strongly encouraged to add their contact information to the CodeRED system. To submit your contact information or learn more, visit the Judson University website and search for keywords: “code red”.

Daily Crime Log

The Department of Campus Safety maintains a Daily Crime Log that is available for public inspection twenty-four hours a day on the Campus Safety website at judsonu.edu/campussafety.aspx

All crimes that occur on campus shall be posted in the Daily Crime Log within one business day of being reported to the Department of Campus Safety.

In situations where the release of information poses a threat to an ongoing investigation or to the safety of the campus community, the crime may be classified as “confidential” until such time as no damage would result from the release of the information.
Policy on Sexual Harassment and Sexual Assault

Sexual harassment—including but not limited to unwelcome sexual advances, requests for sexual favors and other verbal, visual or physical conduct of a sexual nature that is unsolicited—is prohibited by law. Sexual harassment may occur as sexual comments or advances, sexual slurs or jokes, leering, displays of sexually suggestive objects or pictures, sexually suggestive gestures, touching, pinching or physical abuse. Sexual assault is a crime of violence and is prohibited by law. Under current Illinois law, both males and females can commit sexual harassment/assault and its victims can be either male or female as well.

Forcible sexual assault is defined as any sexual act directed against another person—forcibly and/or against that person's will or not forcibly or against that person's will—where the victim is incapable of giving consent; it includes forcible rape, forcible sodomy, sexual assault with an object, and forcible fondling. Non-forcible sex offenses are acts of unlawful, non-forcible sexual intercourse; they include incest and statutory rape.

Judson University will not tolerate this form of behavior and will take all reported cases of sexual harassment and sexual assault seriously. Students who believe that they have experienced sexual harassment or assault should immediately report it to the Vice-President of Student Development, and should refrain from washing, changing clothes, using the toilet, douching or otherwise disturbing the scene of the incident so as to preserve as much evidence as possible. With the consent of the victim, the VP of Student Development will initiate an investigation of all alleged charges and will assist in obtaining medical assistance if so needed and will provide the victim with the opportunity to receive counseling on-campus or off. If requested by the victim, University personnel will assist with reporting allegations to local police. If the allegations involve an employee of the University, the Director of Human Resources shall be notified.

A statement of charges will be presented to both the accuser and the accused in all cases of alleged sexual assault that result in a University investigation, and both accuser and the accused shall be informed of the outcome of any such investigation. During a disciplinary proceeding, both the accused and the accuser shall be allowed to have others present. Any student found guilty of sexual harassment or sexual assault faces disciplinary sanctions including dismissal and expulsion. Likewise any employee of the University found guilty of sexual harassment or sexual assault shall face disciplinary sanctions up to and including termination of employment.

In all cases of alleged sexual harassment or assault, the University will provide students with the opportunity to change their living or academic arrangements if possible. For brochures and information regarding the prevention of and response to sexual harassment and sexual assault, please visit the Health Center. Additionally, the Department of Campus Safety offers a Women's Self-Defense Course throughout the year. Information on Sexual Harassment and Sexual Assault

INFORMATION ON SEXUAL HARASSMENT

Definition: Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- A student's submission to unwelcome sexual conduct becomes an explicit or implicit condition of a grade, admission to a program, a favorable recommendation, or a disciplinary or similar decision;
- Submission to or rejection of such conduct is used as a basis for employment or education decisions;
- Such conduct has the purpose or effect of interfering substantially with an individual's work or educational performance, or of creating an intimidating, hostile, or offensive environment for work or learning.

Sexual harassment includes, but is not limited to, unwelcome verbal, visual or physical behaviors. These behaviors may occur as sexual comments or advances, sexual slurs or jokes, leering, displays of sexually suggestive objects or pictures, sexually suggestive gestures, touching, pinching, physical abuse or sexual assault.

INFORMATION ON SEXUAL ASSAULT

Victims of sexual assault/rape are strongly encouraged to report offenses immediately. Sexual assault is any sexual act directed against another person forcibly or against the person's will.

If a rape has occurred, it is important that the victim do the following:

- Get to a safe place and seek medical attention.
- Call 911 to report the act.
- DO NOT SHOWER
- DO NOT BRUSH YOUR TEETH OR HAIR
- DO NOT CHANGE CLOTHES.
- DO NOT DISTURB THE AREA WHERE THE RAPE OCCURRED.

NOTE: This is to preserve as much evidence as possible.

Victims can receive assistance on campus from Resident Hall Staff, Campus Safety (x9999), the Counseling Center (x5042), Student Development (x1561) and Health Services (x2465). Services available off-campus include the Elgin Police Department at 847-289-2700 and the Community Crisis center at 847-697-2380. Both are available 24 hours a day.

Judson University will also assist any victim of sexual harassment/attack with changes to living and academic arrangements to the extent that is reasonably possible.
Other Sensitive Crimes

ANNOYING/HARASSING PHONE CALLS

Individuals on campus who receive obscene or repeated prank phone calls are advised not to talk back to the individual calling and, immediately following the phone call, to call Campus Safety at extension 9999.

IDENTITY THEFT AND PREVENTION

Identity Theft is a serious crime. If you suspect you have been the victim of identity theft, contact the Department of Campus Safety at extension 9999 to report the incident. You should also contact either the Elgin Police Department (847-289-2700) or Rockford Police Department (817-587-5839) non-emergency numbers to file a police report.

To prevent identity theft:

- Store your social security card and other sensitive personal information in a secure location, not your wallet or purse.
- Verify sources before providing personal information.
- Protect your email address; this will reduce “spam” and “phishing” attempts.
- When creating passwords, use complicated sequences of numbers and letters; do not use your telephone number, mother’s maiden name, or other passwords that could be easily guessed.
- Prevent offers of pre-screened credit from being mailed to you by calling 1-855-OPT-OUT
  Note: You will be asked to provide your Social Security number which the consumer reporting companies need to match you with your file.
- Shred sensitive documents that you wish to discard, such as bank and credit statements, billing statements, insurance forms, physician statements, and expired charge cards.

For further information regarding identity theft, visit http://www.ftc.gov/bcp/edu/microsites/idtheft/
Policy on Alcohol Use

The use of alcoholic beverages and/or simulated alcoholic beverages is not allowed on campus, in campus-approved housing, or at University-related activities.

This includes possession or use of alcohol in any form (beer, wine, liquor, etc.) or simulated alcoholic beverages (“near beer”) on the University campus, in University-owned facilities, in approved or non-approved off-campus housing or commuter housing, and/or while participating in activities sponsored by the University (field trips, organized tours, athletic events, internships, etc.). In addition, creating a disturbance on campus (even the smell of alcohol on the breath) because of possession or use of alcohol or simulated alcoholic beverages; and contributing to the use of alcohol by other University students by providing the substance and/or place for consumption is also prohibited. The Director of Campus Safety, with approval granted by the Dean of Students, may use an alco-test to determine alcohol use. A positive alco-test will serve as evidence of possession and consumption. Refusal to take an alco-test when accused of alcohol use and denying such use will be construed to be evidence of guilt.

Policy on Illegal Drug Use

The use of hallucinogenic drugs and substances (including marijuana) or narcotics not authorized by a physician is forbidden. Under no circumstances is the use, possession, or distribution of the above allowed on or away from campus. This includes the possession or use of non-prescription drugs, barbiturates, hallucinogens, marijuana, steroids, and amphetamines, including every other substance not chemically distinguishable from them, except as authorized by law.

The university reserves the right to request drug testing of its students. If a student tests positive to the drug test, the university may suspend that student. If the student returns to the university following suspension, he/she may be required to submit to random drug testing.

The Health Center has brochures and information available on drug awareness, treatment, and abuse. Students with a history of drug usage/abuse are referred to a Christian counselor. Appointments to see a counselor on campus can be arranged through the Student Development Office or by contacting the Health Center at extension 2464.
Policy on Weapons

Explosives, fireworks, ammunition, flammables, knives, and guns of any type (including paintball markers, airsoft guns, bb and pellet guns) or any other deadly weapons are not allowed on any part of the campus, including the residence halls.

This includes possession, use or sale of firearms or any item considered (legally) to be dangerous or any item that could be used in a dangerous way. Objects that resemble deadly weapons are also not allowed on campus.

If you have further questions, you may contact the Department of Campus Safety at jcps@judsonu.edu or extension 2499.

Statement of Non-Disciplinary Policy

Students struggling with difficult personal lifestyle choices which are not in keeping with the expectations and guidelines established by the University—including but not limited to alcohol or drug dependency, sexual promiscuity or addiction, homosexual behavior, and pregnancy—who choose to seek help through the Student Development Office will not automatically be punished and will receive the full cooperation, counsel and support of its staff as needed. (The Student Development Office reserves the right to determine the level of need in each instance.)

If the behaviors are criminal in nature, certain legal responsibilities may be placed upon the University, in which case students might be culpable, but the University will work in conjunction with willing students to insure appropriate resolution and restitution. Students must be aware that consequences for their action may still be a part of the cooperation, counsel and support of the Student Development staff.
Off-Campus Expectations
and Incidents Involving
Judson Students

Judson University reserves the right to take necessary and appropriate action to protect the safety and well being of the campus community and its students. It may become necessary for the University to take appropriate action as a result of student incidents off-campus that are contrary to the University’s mission or that affect the ability of students to function well in the University community, at University-sponsored events, and/or in educational settings.

In the event of complaints from the community, citizens, or agencies, the University will cooperate fully with local authorities in performance of their duties. Authority for deciding what off-campus incidents may affect on campus environment is vested in the Dean of Students, at which time he/she may charge the student with a violation of the Judicial Code, wait until an investigation is done, or choose not to pursue charges in the University discipline system. Students involved in criminal or civil proceedings could also be charged in the Judson University Judicial Code.
Facility Access

**GENERAL**

Students wishing to gain access to locked buildings, offices, and areas need to have a staff or faculty member notify the office of Campus Safety ahead of time or present written permission from an appropriate staff or faculty member before access is granted. Both written and oral permission must contain the following: the students’ names, what they have permission to access, and the staff or faculty member’s signature. Anything less will be left to the officer-on-duty’s discretion.

All building access will be reported in the officer’s daily report. JUCS Officers do not need any special permission to let a student or employee who have lost, forgotten, or misplaced their keys and access cards and have access to areas to which they would normally have access.

JUCS Officers regularly perform routine security and lighting checks, reporting any defective or malfunctioning doors and lights to the Plant Operations Department. Periodically, the Department of Campus Safety meets with Plant Operations to discuss other safety issues related to facilities and grounds.

**RESIDENCE**

The University recognizes that students’ rooms are their homes while enrolled at Judson and acknowledges the students’ rights of privacy. However, University personnel reserve the right to enter rooms for maintenance, reasons of safety, and to maintain order. Staff will enter rooms only when deemed necessary, and every effort will be made to inform the student of entry.

In all campus residence facilities for single students, visitors from off-campus or students should not be present in the rooms or in the corridors in living areas of members of the opposite sex, except during open dorm. Students who do not comply with this regulation are subject to suspension from the university.

Ohio Hall completely closes to male visitors from 12:00AM to 7:00AM. The Wilson Hall Eyrie lounge is open until 2:00AM each night. Women are not allowed to enter the lower level of Wilson Hall, use the stairs, or go beyond the large doors past the lounge.

Volkman Hall has designated areas of the second and third floors for men and women. The specific limitation is defined as the cement threshold of the door; both feet should be on the outside and the screen door should be open at least 12 inches. Students and/or visitors may not stand on or pass over the cement threshold of rooms of members of the opposite sex. The Volkman Hall balcony is closed to visitors of the opposite sex from 12AM to 7AM.

Permission for visitations by family members of the opposite sex needs to be obtained from a member of the residence life staff.
