Prayer Breakfast
Dear Parents,

Allow me to extend personal greetings from a unique and beautiful Judson University campus. Our future remains bright as your student helps make up the largest class size in Judson history to step onto campus and into classes this fall. Intentionally small class sizes are kept to a 14:1 student to faculty ratio. Your students will be learning in new or renovated buildings taught largely by faculty holding terminal degrees in their field. We work to provide an atmosphere where our students are equipped to maximize their abilities and mature into individuals who bring glory to God and honor to their parents. It is therefore our highest aim help equip students to become fully developed, responsible persons who glorify God by the quality of their relationships, their work, and their citizenship within the community.

This summer Judson has illuminated our field for the Chicago Bandits as we have welcomed this professional softball team as a part of our community. Stimulating, fun, and fan friendly are what characterize the home games we host. Be sure to take the opportunity to catch them live and in action.

Another special part of our community is a group of volunteers called, Friends of Judson. They often help students have a slice of home away from home. Send a “Study Buddy”, a “Big Hug” or even a birthday cake as an inexpensive and convenient way to show your son or daughter you care. All proceeds go back to Judson and your students. To learn more about Friends of Judson or placing an order, please visit our website at www.JudsonU.edu and click the link, “support Judson”.

Thank you for entrusting your son or daughter to our care. We are truly honored to have the opportunity to impact your family. Know that you, as a parent, become a special part of our extended family. God has blessed Judson and we trust that as he has blessed so many that have gone before, he will also bless your son or daughter. Let me close with one of my favorite verses, which reminds us all that as our namesake Adoniram Judson held, “Our future is as bright as the promises of God.” “For I know the plans I have for you,” declares the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future.” Jeremiah 29:11.

Christus Lux Mundi,

Jerry B. Cain

MISSION STATEMENT
Judson is an evangelical Christian university which represents the Church at work in higher education, equipping students to be fully developed, responsible persons who glorify God by the quality of their personal relationships, their work, and their citizenship within the community, the nation, and the world. Through a broadly-based education in the liberal arts, sciences, and professions, the university enables its students to acquire ideas and concepts which sharpen their insights, develop skills appropriate to their career goals, and develop the skills and commitment for lifelong learning. The Judson community experience challenges graduates to be decisive leaders and active participants in church and society, articulate proponents of Biblical Christianity, persuasive advocates for the sovereignty of God over all life, and effective ambassadors for Christ.

ACADEMIC INFORMATION
Students are assigned an academic advisor who must approve their schedule before each registration. This advisor/mentor is available to discuss all academic and personal issues, but any serious issues will be referred to student development counseling personnel.

ACADEMIC STANDING
Each student admitted to Judson University is assumed to have the preparation, the desire and the ability to make satisfactory progress toward a degree. In practice, however, some students do not make the progress expected of them. Such students are notified, offered special assistance, provided academic counsel, and allowed time to improve their performance. Failing in that, they will be dismissed. Listed below are the Judson University Academic Standings and the consequences for students who are not in good academic standing. These standings are provided as a standard; however, in individual cases, the University administration reserves the right to change a student’s standing based on the student’s academic performance and any extenuating circumstances. Students on Academic Warning or Probation are not allowed to take any additional credits until they return to good standing.

Good Standing: The minimum grade point average (GPA) required for good standing is 1.80 for freshmen and 2.00 for all other students. For simplicity the word “limit” will be used for the required GPA.

Academic Warning: A student will be placed on academic warning at the end of any term in which his or her semester grade point average falls below the limit. These students are limited to 13 credit hours of registration. Traditional students are required to meet with the Director of the Learning Center by the end of the first week of each semester on which they are on warning. Adult undergraduate students are required to meet with student services and must have two follow-up visits.

Academic Probation: A student will be placed on academic probation at the end of any term in which his or her cumulative grade point average falls below the limit. These students are limited to 13 credit hours of registration. Traditional students are required to meet with the Director of the Learning Center by the end of the first week of each semester on which they are on probation. Additionally, students on probation will lose the privilege to participate in extracurricular activities such as athletics, music (beyond what is required in the student’s major), campus leadership positions, leadership in Chapel, and intramurals. Adult undergraduate students are required to meet with student services and must have two follow-up visits.

Academic Dismissal: Until a cumulative GPA of 2.00 (1.80 for freshman) is achieved, a student on probation must achieve a semester GPA of 2.00 (1.80 for freshman) or above in all subsequent semesters; failure to do so will result in dismissal. Traditional students who are notified of dismissal may appeal the decision in writing to the Provost. Adult undergraduate students who are notified of dismissal may appeal to the Dean of Continuing Education.

STUDENT PRIVACY
The Family Educational Rights and Privacy Act of 1974 (FERPA)
One of the most difficult transitions from high school to University has to do with a parent's involvement in a son's or daughter's education. From pre-school through high school, a high degree of parental involvement is expected, even demanded, by our educational system. From a legal standpoint, this changes dramatically when a student reaches University because he or she is now considered an adult.

Specifically, the Family Educational Rights and Privacy Act strictly limits parental access to the educational records of their adult children. Judson University intends to comply fully with this Act. However, FERPA guidelines do allow students to voluntarily surrender some of their privacy rights.

As a result, while Judson recognizes the legitimate interest of parents and guardians to consult with professional staff about the academic and personal well-being of their sons and daughters, the University cannot do so without a signed release of the student. Furthermore, at the discretion of the University, student records may be released if the parent(s) submits a notarized statement that the student is listed as a dependent on income tax returns. For more information on FERPA, please contact the Office of Registration and Records at (847) 628-1160.

FULL-TIME FACULTY
Judson has an outstanding, creative and dedicated faculty, with three fourths of the full-time faculty members having a doctorate or other terminal degree. Faculty members exemplify high standards of academic excellence in the context of the Christian faith. They place a high priority on teaching and relating personally with students, and the favorable student-faculty ratio of 14:1 facilitates such mentoring relationships.
CHAPEL
Students are required to attend at least 25 chapels per semester. Students who do not meet this requirement will receive a grade of “F” which will negatively affect their G.P.A. Students who meet the requirement will receive a grade of “P” which has no affect on their G.P.A.

DISCIPLINE
Judson University has the responsibility of maintaining an environment conducive to learning and Christ-centered community living, and, therefore, reserves the right to discipline any student whose behavior is inimical to its purpose and standards. Guidelines and expectations are clearly outlined in the Judicial Code section of the Student Handbook which may be accessed via our website under the Campus Life tab. If you have any questions, Dean of Students, LeAnn Pauley Heard, can assist you at (847) 628-1565.

DORM LIFE/REGULATIONS
Each resident hall has a resident director and a staff of several student resident assistants. Students under the age of 21 and with fewer than 12 credit hours earned must sign-in their dorm each evening (Sunday-Thursday) by midnight, and remain in the dormitory until 6:00 a.m. during the first semester on campus. Students are allowed to visit floors or dorms of the opposite sex during specific open-dorm hours. These open-dorm hours are supervised, regular times on weekends, and occasionally during the weekdays for special events or activities.

HEALTH INSURANCE
Students must pay a health insurance fee, which may be refunded to students with proof of similar coverage during registration. Students must sign an insurance waiver to be exempt from this charge (only non-resident students enrolled in four hours or less are exempt.) International students must take additional coverage for traveling home in case of illness. The Health Center administers the program and helps process claims.

STUDENT ACTIVITIES
Student activities are coordinated by the Judson Student Organization and involve many on and off-campus opportunities. Concerts, films, athletic contests, banquets, and outings to Chicago all make for a complete social calendar. Students may also choose to join the choir, the chamber singers, intramurals, christian ministry groups, academic and service clubs.
**CAMPUS SAFETY**
Judson has its own trained Campus Safety officers patrolling campus 24 hours, 7 days a week. Students may call at any time for immediate assistance at (847) 622-9999. For non-emergencies, contact department managers Lt. Goff at (847) 638-2495 or Sgt. Fisher at (847) 628-2496. Students are encouraged to call security for an escort after dark.

**STUDENT ACCOUNTS**
The Director of Student Accounts is available to assist students in implementing payment and budget plans. Payments for tuition and fees are due two weeks before the first day of classes for each semester. Parents wishing to spread out payments may contact Jerry Hultstrand of the Student Accounts department at (847) 628-2053 to set up a monthly payment plan.

**TELEPHONES**
Judson has an automated phone service. University operators are on duty during regular business hours of 8:00 a.m.-5:00 p.m CST. Students are issued monthly bills for local and long distance calls.

**TUTORING/LEARNING CENTER**
Judson seeks to support and challenge students at all levels of the academic spectrum. Primarily, these services are provided through the Academic Learning Center for Writing and Learning.
