### JUDSON UNIVERSITY

#### FOUR YEAR PLAN

Note: The Academic Planning Sheet is designed as a guide for students planning their course selections. The information on this page provides only a suggested schedule. Actual course selections should be made with the advice and consent of an academic advisor. While accurately portraying the information contained in the college catalog, this form is not considered a legal substitute for that document. Students should become familiar with the catalog in effect at the time at which they entered the institution. Academic planning is the students’ responsibility.
