Note: The Academic Planning Sheet is designed as a guide for students planning their course selections. The information on this page provides only a suggested schedule. Actual course selections should be made with the advice and consent of an academic advisor. While accurately portraying the information contained in the Judson Catalog, this form is not considered a legal substitute for that document. Students should become familiar with the catalog in effect at the time at which they entered the institution. Academic planning is the students' responsibility.

HONORS students should take GEN101H and HIS262H in their first year at Judson.

If an HONORS student's English ACT/SAT score places them beyond ENG102, they should take SPC120H in the fall semester of their freshman year and their advanced English course (ENG211H) during their sophomore year.

If an HONORS student's English ACT/SAT scores place them in ENG101 and/or ENG102, SPC120H can be taken later.
