

JUDSON UNIVERSITY

FOUR YEAR PLAN [beginning 2017-18]

This Academic Planning Sheet is designed as a guide for your planning course selections. This is only a suggested schedule. Actual course selections should be made with the advice and approval of an academic advisor. This form is a guide and is not a substitute for a student's Degree Audit, nor the Judson University Catalog. Students should become familiar with the catalog in effect at the time at which they entered the institution. Academic planning is the students' responsibility. Course requirements and sequencing may vary with AP courses, transfer courses, English / math placement, or other conditions. Please read notes on the reverse side of this page

Bachelor of Arts in Architecture

Fall 2017		Spring 2018	
ARC 101 Shop Stewardship Materials and Processes ³	1	ARC 122 Communication and Architectonics ⁴	4
ART 111 Drawing I	3	ARC 222 Construction Tectonics and Assemblies	3
DES 121 Design I	3	BST 101 Intro to Old Testament	3
ENG 101 Expository Writing	3	ENG 102 Critical Thinking & Writing	3
GEN 101 Questions of Life (>24 trans hrs)	1	SPC 120 Foundations of Speech	3
MAT 211 Functions and Calculus I	5	Note: Calculus requirement must be completed as prerequisite to PHY 237.	
OR MAT215 Calc w/Analytic Geometry I	[3]		
Total	14-15	Total	16
Fall 2018		Spring 2019	
ARC 231 History of Architecture I	3	ARC 232 History of Architecture II	3
ARC 251 Heuristics and Architectonics ⁴	4	ARC 252 Architectural Design Explorations ⁴	4
BST 102 Intro to New Testament	3	ARC 341 Theories of Architectural Structures	4
HIS 261 History of Civilization I	3	HIS 262 History of Civilization II	3
PHY 237 General Physics I w/lab	4	SOC151 or PSY111 Intro to Sociology or Intro to Psychology	3
Note: Physics requirement must be completed as prerequisite to ARC 341.		Note: Mid-Program Review Application⁵	
Total	17	Total	17
Fall 2019		Spring 2020	
ARC 310 Digital Design Simulation	3	ARC 352 Elective Architectural Design Studies ⁴	5
ARC 321 Theories of Environmental Stewardship	3	ARC 331 History of Architecture after the Industrial Revolution	3
ARC 322 Adv Construction Tectonics & Assemblies	3	PHL 260 Introduction to Philosophy	3
ARC 332 Architecture of Cities	3	ELECTIVE Any Elective 300 Level or Higher ⁷	3
ARC 351 Intermediate Arch Design Studies ⁴	5	ESS 101 Wellness	1
		GEN 301 Reflecting on the Conversation	1
		Note: All students must complete the "Application for Graduation" prior to registering for fourth year.	
Total	17	Total	16
Summer 2020			
ARC 381 Architectural Study Tour ⁸ Total: 5 credits			
Fall 2020		Spring 2021	
ARC 421 Environmental Technology II	3	ARC 422 Environmental Technology III	3
ARC 441 Advanced Architectural Structures	4	ARC 452 Integrative Arch Design Studies II ⁴	5
ARC 451 Integrative Arch Design Studies I ⁴	5	ARC 462 Preceptorship Preparation	1
ENG 3-- GenEd English Elective 360s/370s	3	GEN 401 The Good Life: Continuing the Conversator	3
(Possible Additional Elective or Incomplete GenEd)	3	ESS --- Gen Ed ESS Activity Elective	1
		BST --- Gen Ed Biblical Studies Elective	3
Total	18	Total	16

See reverse for NOTES pertaining to the Architecture major.

NOTES pertaining to the **Architecture** major:

- 1 Full-time course load is 12-18 credits per semester. Illinois residents receiving state aid should register for 15 hours per semester.
- 2 Many architecture courses are sequential. Students must successfully pass all ARC courses with a minimum of a C- to meet the prerequisite of the next course in the sequence. For example, a student must earn a C- or better in ARC 231 in order to take ARC 232.
- 3 ARC 101 is required for all students new to the School of Art, Design & Architecture at Judson University, to address insurance, liability and safety concerns. However, students with facility with the wood shop, assembly tools and processes may test out of this course, as arranged with the instructor, at the first day of the course offering. Until then, ALL new students must register for and attend this course.
- 4 Designated Architecture and Interior Design studio courses carry a program fee resulting from the unique expenses of these majors. The fee is applied to studio courses from second semester of freshman year through graduate study. The program fee applies directly to the specialized programming, technology, materials and physical resources necessary to maintain the distinctive excellence of programs in the Department of Architecture. For ARC 122, the program fee is \$650. For all designated studios in the second year and above, the program fee is \$950.
- 5 During the spring term of the second year, all students must submit application for the Mid-Program Review, for acceptance into the third year, or professional portion, of the architecture program. Students must achieve an overall GPA of 2.50 in all coursework and a 2.75 GPA in all ARC coursework taken at Judson University, to date, including completion of all ARC courses taken with a C- or better. A portfolio of works and a letter of intent are also required with the Mid-Program Review application, as described in the School of Art, Design & Architecture supplement to the Judson University Student Handbook. Students must pass the mid-program review as a prerequisite for all 300 & 400 level ARC courses, except ARC 341.
- 6 The spring of the third year is designated for a possible study abroad option. The Department of Architecture has partnerships for a few high-achieving students to study abroad during the spring semester of the third year. Students interested in the possibility studying abroad must be in clear communication with their academic advisor and the Chair of the Department during the fall of the second year, to begin this process. Course selection and sequencing will be affected, and additional summer courses may be necessary. ARC 381 is not required for students who study abroad.
- 7 Students are encouraged to explore various elective offerings in architecture or in different disciplines. Common architecture electives are noted below [although each is not always offered]. Other eligible elective offerings, in art & design include: ART 211: Drawing II; ART 212: Painting I; ART 223: Darkroom Photography I; ART 311: Drawing III; ART 315: Ceramics: Handbuilding; ART 316: Ceramics: Wheel Throwing. Students who have satisfied the undergraduate elective requirement may take up to 6 credits of graduate elective credit, as an undergraduate, the permission of the instructor and Department Chair.
 - Architectural Rendering in Watercolor
 - Full Small-Scale
 - Chicago Architecture, After the Fire
 - Special Topics in Architecture History/Theory
 - Architecture for Conviviality
 - Advanced Digital Design
 - Adv. Architectural Drawing
 - Multiculturalism in Architecture
 - Adv. Case Studies in Sustainable Design
 - Daylighting in Architecture
 - Advanced Architectural Acoustics
 - Architecture for Christian Worship
- 8 The ARC 381 Architectural Study Tour is a distinctive of the Judson Architecture program, and it is a required course. ARC 381 is a 4-week foreign study course, in Europe, focused on field-sketching, watercolor, history and place. ARC 381 is usually taken during the May-term following the third year of undergraduate study, or as applicable in a transfer sequence. ARC 381 has a separate trip cost of \$5600 + \$1375 summer tuition + \$100 fee + personal spending. Initial details for ARC 381 will be communicated prior to the end of the students' second year, and planning and preparation will occur throughout the students' third year, prior to the execution of the course, following the third year of study.
- 9 Minors are available to Architecture majors. Commonly pursued minors include Studio Art, Graphic Design, Photography, Business, Worship Arts, or Biblical Studies. Advanced Placement courses or transfer of GenEd credit [from community college or summer courses] is highly encouraged for students seeking a minor along with a major in Architecture.
