TESTIMONIALS

“The World Leaders Forum was enlightening and informative. It was neat to hear the perspective of George W. Bush (2012) on things that we have lived through and experienced. It was a joy to get to know him on a more personal level as well, especially during the question and answer segment. The World Leaders Forum gave many people a once in a lifetime opportunity to see and hear a world leader. Judson did a wonderful job.”

“The World Leaders Forum was a magnificent event for Judson University and the surrounding community. I strongly encourage you to attend next year if you have the chance.”
