NOTE 1: If a deficiency is included in the scope of an FE, the program may not be released from reporting on it in Part II of the Annual Report, except by the FE Team.

NOTE 2: Although an area may be marked "satisfied, no further reporting required," the next visiting team will still make its own assessment of the program's response to the deficiency in the next *Visiting Team Report*.

DEFICIENCIES

None

CAUSES OF CONCERN

Advising/Registration Issue

The program is clearly working to address this concern as demonstrated by the implementation of a new advising system and a survey of students that shows satisfaction with the new system. Please continue to report on the results of these efforts.

Enrollment Management Issue

This concern has been satisfied; no further reporting required.

Faculty Issues

The program is clearly working to address these issues. Please continue to report on the outcome of efforts to address this concern.

Growth

Please continue to report on efforts to address this concern, especially on how the program works to manage continued growth without a concomitant growth in faculty and operating funds.

Financial Assistance

The program acknowledges that this is still a concern and that it is continuing to work to address the issue. Please continue to report on progress.
