

Academic planning is the student's responsibility. This Four Year Plan is designed to be a guide to assist students as they plan their course selections. This is only a suggested schedule, and is not a substitute for a student's Degree Audit, nor the Judson University Catalog. Actual course selections should be made with the advice and approval of an academic advisor. Students should become familiar with the catalog in effect at the time at which they entered the institution. Course requirements and sequencing may vary with AP courses, transfer courses, English/math placement, or other conditions.

Please read additional notes on the reverse side of this page.

***Bachelor of Arts in Architecture***

Fall 2021				Spring 2022					
ARC 101	Shop Stewardship Materials and Processes <sup>3</sup>	1		ARC 122	Communication and Architectonics <sup>4</sup>	4			
ART 111	Drawing I	3		ARC 222	Construction Tectonics and Assemblies	3			
DES 121	Design I	3		BST 110	Intro to the Christian Bible	3			
ENG 101	Expository Writing	3		ENG 102	Critical Thinking & Writing	3			
GEN 101	Questions of Life (<24 transfer hours)	1		SPC 120	Foundations of Speech	3			
MAT 211	Functions and Calculus I	5		<b>NOTE: Calculus requirement must be completed as a prerequisite to PHY 237.</b>					
<b>OR</b> MAT 215	Calculus w/Analytic Geometry I	3							
<b>Total 14-16</b>				<b>Total 16</b>					
Fall 2022				Spring 2023					
ARC 231	History of Architecture I	3		ARC 232	History of Architecture II	3			
ARC 251	Heuristics and Architectonics <sup>4</sup>	4		ARC 252	Architectural Design Explorations <sup>4</sup>	4			
THS 110	Christian Faith: Understanding & Application	3		ARC 341	Theories of Architectural Structures	4			
HIS 261	History of Civilization I	3		HIS 262	History of Civilization II	3			
PHY 237	General Physics I w/Lab	4		PSY 111	Introduction to Psychology	3			
<b>NOTE: Physics requirement must be completed as a prerequisite to ARC 341.</b>				<b>OR</b> SOC 151	Introduction to Sociology				
<b>Total 17</b>				<b>NOTE: Mid-Program Review Application due.<sup>5</sup></b>					
<b>Total 17</b>				<b>Total 17</b>					
Fall 2023				Spring 2024					
ARC 310	Digital Design Simulation	3		ARC 352	Elective Architectural Design Studies <sup>4</sup>	5			
ARC 321	Theories of Environmental Stewardship	3		ARC 331	Hist of Arch after the Industrial Revolution	3			
ARC 322	Adv Construction Tectonics and Assemblies	3		PHL 260	Introduction to Philosophy	3			
ARC 332	Architecture of Cities	3		GEN 301	Reflecting on the Conversation	1			
ARC 351	Intermediate Arch Design Studies <sup>4</sup>	5		ESS 101	Wellness	1			
<b>Total 17</b>				ELECTIVE Any Elective 300-level or higher <sup>7</sup>				3	
				<b>NOTE: Complete the "Application for Graduation" prior to registering for fourth year.</b>				<b>Total 16</b>	
Summer 2024									
ARC 381				Architectural Study Tour <sup>8</sup>		(5)	<b>Total 5</b>		
Fall 2024				Spring 2025					
ARC 421	Environmental Technology II	3		ARC 442	Environmental Technology III	3			
ARC 441	Advanced Architectural Structures	4		ARC 452	Integrative Arch Design Studies II <sup>4</sup>	5			
ARC 451	Integrative Arch Design Studies I <sup>4</sup>	5		ARC 462	Preceptorship Preparation	1			
ENG 36*/37*	Gen Ed English Elective	3		GEN 401	The Good Life: Continuing the Conversation	3			
ELECTIVE	Optional Elective or Incomplete Gen Ed	3		BST	Gen Ed Biblical Studies Elective	3			
<b>Total 15-18</b>				ESS				ESS Physical Activity course	1
				<b>Total 16</b>					

**NOTE: See reverse side for notes pertaining to the Architecture major**

**NOTES pertaining to the Architecture major:**

- <sup>1</sup> Full-time course load is 12-18 credits per semester. Illinois residents receiving state aid should register for 15 hours per semester.
- <sup>2</sup> Many architecture courses are sequential. Students must successfully pass all ARC courses with a minimum of a C- to meet the prerequisite of the next course in the sequence. For example, a student must earn a C- or better in ARC 231 in order to take ARC 232.
- <sup>3</sup> ARC 101 is required for all students new to the Architecture Department at Judson University, to address insurance, liability and safety concerns. However, students with facility with the wood shop, assembly tools and processes may test out of this course, as arranged with the instructor, at the first day of the course offering. Until then, ALL new students must register for and attend this course.
- <sup>4</sup> Designated Architecture and Interior Design studio courses carry a program fee resulting from the unique expenses of these majors. The fee is applied to studio courses from second semester of freshman year through graduate study. The program fee applies directly to the specialized programming, technology, materials and physical resources necessary to maintain the distinctive excellence of programs in the Department of Architecture. For ARC 122, the program fee is \$650. For all designated studios in the second year and above, the program fee is \$950.
- <sup>5</sup> During the spring term of the second year, all students must submit application for the Mid-Program Review, for acceptance into the third year, or professional portion, of the architecture program. Students must achieve an overall GPA of 2.50 in all coursework and a 2.75 GPA in all ARC coursework taken at Judson University, to date, including completion of all ARC courses taken with a C- or better. A portfolio of works and a letter of intent are also required with the Mid-Program Review application, as described in the Architecture supplement to the Judson University Student Handbook. Students must pass the mid-program review as a prerequisite for all 300 & 400 level ARC courses, except ARC 341.
- <sup>6</sup> The spring of the third year is designated for a possible study abroad option. The Department of Architecture has partnerships for a few high-achieving students to study abroad during the spring semester of the third year. Students interested in the possibility studying abroad must be in clear communication with their academic advisor and the Chair of the Department during the fall of the second year, to begin this process. Course selection and sequencing will be affected, and additional summer courses may be necessary. ARC 381 is not required for students who study abroad.
- <sup>7</sup> Students are encouraged to explore various elective offerings in architecture or in different disciplines. Common architecture electives are noted below [although each is not always offered]. Students who have satisfied the undergraduate elective requirement may take up to 6 credits of graduate elective credit, as an undergraduate, the permission of the instructor and Department Chair.

Architecture electives:

- °ARC 400 Topics in Architecture
- °ARC 410 Advanced Digital Design
- °ARC 416 Architectural Rendering in Watercolor
- °ARC 425 Advanced Architectural Acoustics I
- °ARC 426 Daylighting in Architecture
- °ARC 429 Multiculturalism and Architecture
- °ARC 442 Advanced Architectural Drawing
- °ARC 492 Architecture for Christian Worship

Graduate-level electives:

- °ARC 630 Chicago Architecture After the Fire
  - °ARC 671 Advanced Case Studies in Sustainable Design
- Other eligible elective offerings include:
- °ART 211 Drawing II
  - °ART 212 Painting I
  - °ART 223 Darkroom Photography I
  - °ART 311 Drawing III
  - °ART 315 Ceramics: Handbuilding
  - °ART 316 Ceramics: Wheel Throwing

- <sup>8</sup> The ARC 381 Architectural Study Tour is a distinctive of the Judson Architecture program, and it is a required course. ARC 381 is a 4-week foreign study course, in Europe, focused on field-sketching, watercolor, history and place. ARC 381 is usually taken during the May-term following the third year of undergraduate study, or as applicable in a transfer sequence. ARC 381 has a separate trip cost of \$5600 + \$1375 summer tuition + \$100 fee + personal spending. Initial details for ARC 381 will be communicated prior to the end of the students' second year, and planning and preparation will occur throughout the students' third year, prior to the execution of the course, following the third year of study.
- <sup>9</sup> Minors are available to Architecture majors. Commonly pursued minors include Studio Art, Graphic Design, Photography, Business, Worship Arts, or Biblical Studies. Advanced Placement courses or transfer of Gen Ed credit [from community college or summer courses] is highly encouraged for students seeking a minor along with a major in Architecture.
