

**JUDSON UNIVERSITY**

**2.5 YEAR PLAN**

Academic planning is the student's responsibility. This Four Year Plan is designed to be a guide to assist students as they plan their course selections. This is only a suggested schedule, and is not a substitute for a student's Degree Audit, nor the Judson University Catalog. Actual course selections should be made with the advice and approval of an academic advisor. Students should become familiar with the catalog in effect at the time at which they entered the institution. Course requirements and sequencing may vary with AP courses, transfer courses, English/math placement, or other conditions.

**This plan is designed for students transferring to Judson with an Associate's degree.**
