“But just as you excel in everything in faith, in speech, in knowledge, in complete earnestness and in your love for us see that you also excel in this grace of giving.” 2 Corinthians 8:7
Judson is an evangelical Christian university that represents the Church at work in higher education, equipping students to be fully developed, responsible persons who glorify God by the quality of their personal relationships, their work, and their citizenship within the community, the nation and the world. Through a broadly based education in the liberal arts, sciences and professions, the university enables its students to acquire ideas and concepts that sharpen their insights, develop skills appropriate to their career goals, and develop the skills and commitment for lifelong learning. The Judson community experience challenges graduates to be decisive leaders and active participants in church and society, articulate proponents of Biblical Christianity, persuasive advocates for the sovereignty of God over all life, and effective ambassadors for Christ.

An admirer of Adoniram Judson tells us that in the late years of his life a friend asked him the question, “Sir, if you could invest in the Kingdom work how would you do it?” Judson replied, “I would invest in the KINGDOM OF GOD through a small CHRISTIAN COLLEGE back in America, where in training young men and women you are planting seed corn of the earth.”

Based on “Seed Corn of the Earth” by H.I Hester, Commission Magazine, June 1946, p.5
Burma Society

$10,000 AND OVER

After being ordered out of India by the British East India Company, Adoniram Judson and his wife moved to Burma, a nation known to be impermeable to Christian evangelism. Determined to reach the people of Burma, Judson and his wife set out to familiarize and acclimate themselves with the Burmese culture. He held his first public meeting in April of 1819 and 15 men attended. By the time Adoniram died, he left the Bible fully translated to the Burmese language, 100 churches, and over 8,000 believers. Membership in the Burma Society represents a dedication to furthering the Kingdom of God through the work done here at Judson.

Ann “Nancy” Judson Society

$5,000 - $9,999

On February 5, 1812, Adoniram Judson married Ann Hasseltine. Throughout his ministry Ann proved to be an incredible model of supreme courage and loyalty, facing trial after trial alongside her husband, as well as facing innumerable hardships on her own while Adoniram was imprisoned for 17 months. After only 14 years of marriage, Ann died on October 24, 1826, at the young age of 37. Membership in the Ann “Nancy” Judson Guild represents a loyalty and commitment to the University as the church at work in higher education.

President’s Society

$2,500 - $4,999

To date, Judson University has been overseen by five different presidents. History has shown that each one of the five believed that where people come from isn’t nearly as important as where they are going. With such a mindset, leadership is action, not position. In the Judson administration, it is commitment—not authority—that has always produced results. As a member of the President’s Society, donors are commended for their contribution to the furthering of those results in the lives of our students at Judson University.

**Sarah Judson Guild**

$500 - $999

*In April of 1835, after having completed the Burmese translation of the Bible, Adoniram Judson was married for the second time to Sarah Hall Boardman, widow of fellow missionary George Boardman, after the death of his first wife, Ann. Adoniram and Sarah had eight children together, five of whom survived to adulthood. The faithful commitment of those in the Sarah Judson Guild to the mission of Judson University is a testimony to their commitment to God at work in the lives of students as they are equipped both spiritually and academically.*

Sower’s Guild

$100 - $249

John 4:34-36 says, “Jesus said to them, “My food is to do the will of Him who sent me, and to finish His work. Do you not say, ‘There are still four months and then comes the harvest?’ Behold, I say to you, lift up your eyes and look at the fields, for they are already white for harvest! And he who reaps receives wages, and gathers fruit for eternal life, that both he who sows and he who reaps may rejoice together.’ The faithful giving of those in the Sower’s Guild represents the sowing of seeds in the lives of our students here at Judson University.

Dear Friends,

Greetings from Judson University.

You may have been right in thinking that the 2009-2010 academic year was the year in which the foundations of our world were shaken to their core. Social and economic assumptions are not likely to ever be the same again.

Yet, as this year’s report shows, Judson University’s foundations are as solid as ever. Of course we were affected in both enrollment and annual giving, but we have emerged from the past year with firm biblical convictions and our ability to carry out our mission in representing the Church at work in higher education as an evangelical Christian university.

Thank you for your faithful support and friendship. Your gifts have provided outstanding opportunities to our students who are facing tough challenges. These challenges are impacting families, businesses, churches, nonprofit organizations and governmental agencies on the local, national and global levels. As our national leaders look for solutions to these challenges, Judson University is busy training the finest Christian leaders who may provide solutions to the challenges of the future.

God bless you.

Dr. Angelo G. Bravos
Director of Advancement & Adjunct Professor
