

## LEGACY SPONSOR OPPORTUNITIES

Judson University is proud to present the World Leaders Forum. This annual event brings world leaders to our campus and Chicagoland each year with the intent to inspire and ignite a flame of leadership from all whom attend. Proceeds from World Leaders Forum events fund two unique programs at Judson: the Roeser Scholars program focused on leadership development and the RISE program which provides students with intellectual disabilities the college experience. Proceeds also support innovative entrepreneurial activities, on-going operations and benefit the higher education of youth in foster care by providing programs and educational opportunities at Judson University. One of our partners that is expressly devoted to helping with this mission is Foster Progress. Thank you for investing in tomorrow's leaders.
