

ANNUAL REPORT

2015 - 2016

SHAPING LIVES THAT SHAPE THE WORLD

DR. GENE CRUME
PRESIDENT

For more than 53 years, donors to Judson have equipped students to be fully engaged women and men who use their gifts and education to benefit the world.

Through God’s providence, the lives of Judson students are enriched through the spiritual development of our community. We strive to create opportunities for students to develop leadership skill, excellence motivated by faith, and connection while preparing students to change the world one life at a time.

Because of your support, our students have the opportunity to integrate excellent academics with spiritual growth and service opportunities to fully enrich the lives of others. Today, thousands of Judson graduates are glorifying God as they live out their callings throughout the world.

While we have accomplished much in the last year, there is still much work to be done. We are looking forward to continued progress as we partner with you, and those that God will bring to Judson in the future.

Thank you for expanding this Christ-centered community so that each and every student can impact the world for Christ!
