SHAPING LIVES THAT SHAPE THE WORLD

DR. GENE C. CRUME
PRESIDENT

You are an integral part of the Judson story! We are grateful for your prayers, gifts of time, student referrals and financial commitments so that students are able to receive a Christ-centered education at Judson University. This simply would not happen without you!

God is working through your gifts to equip the next generation of Christian leaders. And it is a blessing to see them grow and flourish into the lives God has prepared for them.

The last several years have been difficult for all private Christian universities, but Judson remains in that “manna moment” where God provides just what we need, when we need it. Thank you for listening to the prompting of the Holy Spirit and giving of your time, talents and resources that are being used to shape and mould our student’s lives as they become Christ-like servants.

Please continue to pray for our students and the university. In our current climate where faith is constantly under attack, it is steadfast people like you who stand beside us and encourage us to keep our eyes fixed upon our Creator, Savior and Lord. Thank you for working alongside of our students as they prepare for lives of service to God and the world!

BOARD OF TRUSTEES

The students, faculty and staff of Judson University thank all the men and women who served the University.
